TRUE TO NAME IS OUR AIM

To Mr. Geo. Haley,  
Smithville, Tenn.

Referring to the large Peach Orchard which I bought from you (4000 trees). I believe it is the finest in the State of North Carolina, and the thriftiest growing, as I have 3 1-2 feet actual growth this season, not only I but the Agricultural Fruit Growers of North Carolina, say I have the State beat on the growth of peach trees, as I have plenty of trees that you budded for me two years ago last June, with a 10 foot lap across them, and a nice sprinkle of peaches this year growing on them. I hardly know how to congratulate you for the nice little fortune awaiting me from the orchard you sold me. I remain

Your friend,

G. W. WILLIS.

Hartford, Ky.

To Whom it May Concern:

I have been dealing with the Haley Nursery Company since its foundation and am glad to say I have always gotten a square deal. Mr. Haley and agents have sold trees and plants to nearly every farmer in our community and I can honestly say I have as yet not heard a single complaint. In fact, he is noted in our community for doing more than he promises. His trees and plants are thrifty and come well packed. I have voluntarily written these lines in appreciation of service rendered.

Gentlemen:

My order of trees received in perfect condition. Your method of packing is the best I have ever seen. My neighbor, L. F. Dillard, has trees from your nursery that have fruit this year, the second year after planting, and he planted yearlings. We have bought stock of several nurseries, but your stock and prices are the best, and in every instance have proved true to name.

Please find enclosed herewith small order for fall delivery.

Sincerely yours,

R. L. JOHNS.

Gentlemen:

I want to thank you for the nice trees and plants I have gotten from you and proud to say that they were much nicer trees and plants than your agent said they would be. Most all of my neighbors have bought plants and trees from your nursery and I think all of them are perfectly satisfied, as I do not know of a single one that is not. Gentlemen, I am planning to set half an acre of strawberries, and I want them to come from your company. Please send me your best price on enough plants to plant one-half acre, and also the variety you think would suit this climate the best. Please let me hear from you soon. My address is Livia, Ky., R. F. D. No. 2.

Very truly yours,

ALBERT STEWART.

I have been a patron of your company for 8 years and find the company reliable in every way, and they deliver what they sell. No substituting varieties. There are thousands of your trees throughout this county bearing, with no complaint. My 300-tree peach orchard set December 1925, has a nice crop of fruit this time. I heartily recommend the Haley Nursery Co. to everyone wanting good, hardy, true to name, reliable nursery stock.

Gentlemen:

I have planted several lots of trees from your nursery, and so far have been more than pleased.

Can you give me thousand rates on three hundred trees?

Your trees are better than any I have bought, and all that have fruited are as represented.

Respectfully yours,

Gentlemen:

I want to thank you for the nice trees and plants I have been getting from your company for the past four years. They had a wonderful growth and bloom the second year I set them out, and everything that has fruited has been true to name.

Please send me one of your catalogues and oblige.

Gentlemen:

I planted my Yellow Transparent trees too far apart, and am going to plant a filler of Montmorency Cherries this fall.

Your trees are second to none.

I had a fine crop of Red Bird Clings this year on three year old trees. One tree had forty-nine.

We are boosters in this country for Haley Nursery Company.

Wishing you every success, I am,

Respectfully yours,

Am writing you a few lines in regard to the orders I have bought from you within the past four years.

I want to tell you that every tree and plant I have bought from you has proven to be true to name. I am more than pleased with them.

My neighbors have bought trees and plants from your nursery and I have not heard any complaint. And when I get ready for anything in the nursery line, I want it to come from your company.
